PCM WITH COMPUTER SCIENCE  
Grad. May 2019 | Cum Per: 70.15 %

### ST. VIVEKANAND ENG SCHOOL

Grad. May 2017 | Cum Per: 87.00 %

## COURSEWORK

### UNDERGRADUATE

Introduction to Programming  
Data Mining  
Cloud Computing  
Database Management Systems  
Data Structures  
Object Oriented Programming  
Computer Networks  
Network Security

## SKILLS

### Programming Languages

- C++
- HTML
- CSS

### Database

- Oracle SQL

### Tools

- Visual Studio Code
- Microsoft Office

### Operating System

- Linux • Microsoft Windows
- iOS • Android

### Package

- MS-Office

### Soft Skills

- Team Leading
- Debate
- Multi-tasking
- Team Management

## EXPERIENCE

### SYNNEX SOFTECH | WEB DEVELOPMENT INTERN

Jan 2022 - Apr 2022 | Pune, India

- Programmed web page, gateway and server-side scripts and apps to aggregate and analyze website data; achieved 30% increase in website traffic and 20% reduction in page load time.
- Customer satisfaction increased after analyzing and updating their website according to their suggestions.

## PROJECTS

### WIRELESS CONTROL OF HOME APPLIANCES USING ARDUINO

Jan 2022 - Feb 2022

- This device can wirelessly control our home appliances such as light bulbs. We can perform various tasks, such as turning on two light bulbs at the same time, alternately, and one at a time.
- We also developed an app to control the home appliances by connecting it to the device.

### AUTOMATED VENDING MACHINE | MAJOR PROJECT

Aug 2022 - Apr 2023

- This machine can automatically dispatch customers desired products in the machine by scanning the RFID tag provided to the customer. This machine is manufactured at 40% lower cost than existing machine in market.
- This machine is 10% faster and less expensive than the existing machines in the market.

## CERTIFICATIONS

- Web Developer Intern (Synnex Softech)
- CPP Essential Training (Linked-in Learning)
- Java Business Application (Spoken Tutorial by IIT Bombay)
- SQL Essential Training (Linked-in Learning)
- HTML Essential Training (Linked-in Learning)
- Introduction to Web Design and Development (Linked-in Learning)

## ACHIEVEMENTS

### ACADEMICS

1st in department in BE semester-1

### SPORTS

Silver medal in kabaddi held in sports tournament of college
